UNLOCKING POTENTIAL

'Nicole spoke at a Cancer Council Queensland Fundraiser over the weekend. She presented professionally, kept the audience super engaged, and had an amazing stage presence. It was an honour and privilege to work with Nicole at the event. I'd highly recommend her as a speaker, communicator and educator for any event.'

Mark Timmins, MC, QLD Cancer Council Event

Nic Henry Jones

UNLOCKING POTENTIAL

Nic Henry Jones is a purpose-driven creative, an Entrepreneur, Business Strategist and Thought Leader, Educator and Author passionate about 'unlocking potential'. Her 8 years experience in running a Marketing Company and working with hundreds of brands and individuals and presenting at over 100 Business & Personal Development events across a number of Industries, positions her with a unique understanding and insight into what is required to 'unlock potential' on a number of levels.

Nic is a confident, engaging, vibrant, knowledgeable and interactive speaker who has presented at Conferences, Workshops, Masterclasses, Webinars, Cancer Council Fundraisers, and personal development events. She is regularly called on to present to the key players in Industries, and by local Councils to train their business owners. Her keynotes and presentations are created and tailored for the audience, type of event, and conference or workshop theme.

She has a unique way of presenting and engaging the crowd and her presentations are always succinct, full of well thought out and impactful content. Attendees walk away empowered, inspired, and ready to take action.

'Nicole recently spoke at our Servcorp Community Meets networking event here in Westpac House Adelaide. Nicole delivered a clear message about the importance and strategies around digital marketing with confidence and passion. Nicole is a great facilitator of audience engagement and we would recommend her as a solutions provider and/or guest speaker at any event'.

UNLOCKING POTENTIAL

'Thanks for a great presentation today at Victor Harbor – got a lot out of it; you have lots of knowledge and have a great, enthusiastic presentation style!'

'Hey Nic, Great session last night. Definitely learnt a lot I can implement with my business.'

'Thank you so much for your fantastic info on 'Facebook' marketing! I am certainly going to use my Facebook page so much more now and hopefully get as many 'likes' as you!! Well done!'

'The Business outside the Box event was fantastic. I learnt so much from the workshop. It was practical, informative and easy to understand, and I walked away inspired to try new things to help get my business outside the box. Presenters were great and it was also really good to network with other like minded business people. Overall a fantastic event.'

'Hi there Nic, just a quick note to say thanks again for a great session today. Your energy, professionalism, knowledge and skills have reminded me of why I'm in this game, and re-inspired me to follow a business path I have been dreaming of for quite some time now.'

'Great workshop as always. Lots of great information. Thanks for coming up and giving us our Business mojo back!'
